## Chairman's Report

### For the Year Ended 31 December 2020

2020 was a year like no other. The COVID-19 virus severely impacted Eryldene's calendar, resulting in the cancellation of the jazz concert, Christmas fair and the April to October open weekends.

The Foundation held two appeals during the year. The first, in June, was to assist in the restoration of the garden, following the devastating mini tornado that struck Gordon in late 2019, and the second, in December 2020, was a general appeal for funds after the cancellation of the fair and the other events.

The results were very pleasing. The appeals raised over \$41,000, with contributions received from 70 members. The June fundraising alone raised more than we had received from any previous appeal. We also gained some new members.

I would also like to thank Howard Tanner AO and Mary Tanner who, separately from these appeals, donated \$17,500 to the Foundation to initiate a camellia restoration project. Details of the project are contained in the Trust's annual report.

The accounts below show that the Foundation is in a relatively healthy financial position. However, a significant amount of these funds are already committed to the projects referred to above. It is also likely that the Trust will not be able to resume its normal activities until 2022.

Thus, it is foreseeable that we may again need to make a general appeal for additional funding during the year. Jonathan Karanikas joined the board as honorary treasurer in October, as did Sheridan Burke the incoming President of the Trust on the retirement of Chris Levins. I would like to thank them and the other board members for their contribution to the Foundation's activities.

Thanks also to the Foundation members who donated so generously during the year. As soon as we are in a position to do so, we will hold a function to recognise the contributions of all of our supporters.

## Directors' Report

For the Year Ended 31 December 2020

### 3. OTHER ITEMS

#### Significant changes in state of affairs

There have been no significant changes in the state of affairs of the Company during the year.

#### Events after the reporting date

In the opinion of the Directors, no events have occurred after the end of the financial year that materially prejudice the ability of the Company to continue as a going concern nor significantly affect the state of affairs of the Company in future financial years.

#### Future developments and results

During the financial year, the effects of the global COVID-19 pandemic have caused significant restrictions in relation to gatherings and events which have significantly affected and may continue to significantly affect the operations of The Eryldene Trust, to a point at which the Trust may require financial support from the Company beyond what would be required in the normal course of its operations. This may affect the Company and the results of its operations in future years. In the opinion of the Directors, these circumstances do not materially prejudice the ability of the Company to continue as a going concern nor significantly affect the state of affairs of the Company in future financial years. Other than this matter, there are no likely developments in the operations of the Company which may affect the result of the Company in the financial year subsequent to 31 December 2020.

#### Directors' Interests

No director of the Company has received or has become entitled to receive a benefit by reason of a contract made by the Company or a related corporation with him or with a firm of which he is a member, or with a company in which he has a substantial interest.

#### Environmental regulation

The Company's operations are regulated by various environmental regulations under both Commonwealth and State legislation. The Board believes that Company has adequate systems in place for the management of its environmental requirements and is not aware of any breach of those environmental requirements as they apply to the Company.

#### Indemnification and insurance of officers and auditors

During the financial year the company has not given an indemnity or entered into an agreement to indemnify, or paid or agreed to pay insurance premiums to insure each of the directors and officers against liabilities for cost and expenses incurred by them in defending any legal proceedings arising out of their conduct while acting in the capacity of director of the company other than a wilful breach of duty in relation to the company. However, during the financial year, The Eryldene Trust paid insurance premiums for Directors & Officers insurance under a policy which includes cover and indemnity for directors of The Eryldene Foundation Limited.

#### Auditor's Independence Declaration

Brooks Deane & Powne continues in office in accordance with Section 327 of the *Corporations Act 2001*. A copy of the Auditor's independence declaration as required under Section 307C of the *Corporations Act 2001* is included in the financial report.

## Notes to the Financial Statements

For the Year Ended 31 December 2020

The financial report covers The Eryldene Foundation Limited as an individual entity. The Eryldene Foundation Limited is a not-for-profit Company limited by guarantee, incorporated and domiciled in Australia.

The functional and presentation currency of The Eryldene Foundation Limited is Australian dollars.

The accounting policies adopted by the Company and comparatives are consistent with prior years, unless otherwise stated.

### 1 BASIS OF PREPARATION

The financial statements are special purpose financial statements as the directors have determined that the Company is not a reporting entity as there are unlikely to exist users of the financial statements who are not able to command the preparation of reports tailored to as to satisfy specifically all of their information needs. The financial statements have been prepared to meet the reporting requirements of the Australian Charities and Not-for-profits Commission and have been prepared in accordance with the Australian Accounting Standards and Australian Accounting Interpretations of the Australian Accounting Standards Board (AASB) and the *Australian Charities and Not-for-profits Commission Act 2012*.

Australian Accounting Standards set out accounting policies that the AASB has concluded would result in financial statements containing relevant and reliable information about transactions, events and conditions.

Compliance with Australian Accounting Standards ensures that the financial statements and notes also comply with International Financial Reporting Standards.

Material accounting policies adopted in the preparation of these financial statements are presented below and have been consistently applied unless otherwise stated.

The financial report has been prepared on an accrual basis and is based on historical costs and does not take into account changing money values. Cost is based on the fair values of the consideration given in exchange for assets.

### 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### (a) Income Tax

The Company is exempt from income tax under Division 50 of the *Income Tax Assessment Act 1997*.

#### (b) Revenue and other income

Revenue is recognised when the amount of the revenue can be measured reliably, it is probable that economic benefits associated with the transaction will flow to the Company and specific criteria relating to the type of revenue as noted below, has been satisfied.

Revenue is measured at the fair value of the consideration received or receivable.

##### Interest revenue

Interest is recognised using the effective interest method.

##### Other income

Other income is recognised on an accruals basis when the Company is entitled to it.

## THE ERYLDENE FOUNDATION LIMITED

ABN 68 051 439 984

### Notes to the Financial Statements

For the Year Ended 31 December 2020

#### (c) Financial Instruments

Financial instruments are recognised initially on the date that the Company becomes party to the contractual provisions of the instrument.

On initial recognition, all financial instruments are measured at fair value plus transaction costs (except for instruments measured at fair value through profit or loss where transaction costs are expensed as incurred)

##### Financial assets

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

##### *Classification*

On initial recognition, the Company classifies its financial assets at amortised cost.

Financial assets are not reclassified subsequent to their initial recognition unless the Company changes its business model for managing financial assets.

##### *Amortised cost*

Assets measured at amortised cost are financial assets where:

- the business model is to hold assets to collect contractual cash flows; and
- the contractual terms give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

The Company's financial assets measured at amortised cost comprise trade and other receivables and cash and cash equivalents in the statement of financial position.

Subsequent to initial recognition, these assets are carried at amortised cost using the effective interest rate method less provision for impairment.

Interest income and impairment are recognised in profit or loss. Gain or loss on derecognition is recognised in profit or loss.

##### *Impairment of financial assets*

Impairment of financial assets is recognised on an expected credit loss (ECL) basis for financial assets measured at amortised cost.

##### *Trade receivables*

Impairment of trade receivables have been determined using the simplified approach in AASB 9 which uses an estimation of lifetime expected credit losses. The Company has determined the probability of non-payment of the receivable and multiplied this by the amount of the expected loss arising from default.

The amount of the impairment is recorded in a separate allowance account with the loss being recognised in finance expense. Once the receivable is determined to be uncollectable then the gross carrying amount is written off against the associated allowance.

Where the Company renegotiates the terms of trade receivables due from certain debtors, the new expected cash flows are discounted at the original effective interest rate and any resulting difference to the carrying value is recognised in profit or loss.

##### *Other financial assets measured at amortised cost*

Impairment of other financial assets measured at amortised cost are determined using the expected credit loss

## Notes to the Financial Statements

### For the Year Ended 31 December 2020

model in AASB 9. On initial recognition of the asset, an estimate of the expected credit losses for the next 12 months is recognised. Where the asset has experienced significant increase in credit risk then the lifetime losses are estimated and recognised.

#### Financial liabilities

The Company measures all financial liabilities initially at fair value less transaction costs, subsequently financial liabilities are measured at amortised cost using the effective interest rate method. The financial liabilities of the Company comprises trade payables.

#### (d) Goods and services tax (GST)

Revenue, expenses and assets are recognised inclusive of any amount of goods and services tax (GST). The Company is not registered nor required to be registered for GST, consequently no amount of GST incurred is recoverable from the Australian Taxation Office (ATO).

#### (e) Cash and cash equivalents

Cash and cash equivalents comprises cash on hand, demand deposits and short-term investments which are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value.

#### (f) Adoption of new and revised accounting standards

The Company has adopted all standards which became effective for the first time at 31 December 2020, the adoption of these standards has not caused any material adjustments to the reported financial position, performance or cash flow of the Company.

### 3 CRITICAL ACCOUNTING ESTIMATES AND JUDGMENTS

The directors make estimates and judgements during the preparation of these financial statements regarding assumptions about current and future events affecting transactions and balances.

These estimates and judgements are based on the best information available at the time of preparing the financial statements, however as additional information is known then the actual results may differ from the estimates.

The significant estimates and judgements made have been described below.

#### Key estimates - receivables

The receivables at reporting date have been reviewed to determine whether there is any objective evidence that any of the receivables are impaired. An impairment provision is included for any receivable where the entire balance is not considered collectible. The impairment provision is based on the best information at the reporting date.

<b>Total financial liabilities</b>	<b>(1,013)</b>	<b>-</b>
<b>Total</b>	<b>434,736</b>	<b>424,701</b>

#### Liquidity risk

Liquidity risk arises from the Company's management of working capital. It is the risk that the Company will encounter difficulty in meeting its financial obligations as they fall due.

The Company's policy is to ensure that it will always have sufficient cash to allow it to meet its liabilities as and when they fall due. The Company maintains cash to meet its liquidity requirements for up to 30-day periods. Funding for long-term liquidity needs is additionally secured by the ability to liquidate long-term financial assets.

The Company manages its liquidity needs by carefully monitoring cash-outflows due in day-to-day business.

Liquidity needs are monitored in various time bands, on a day-to-day and week-to-week basis, as well as on the basis of a rolling 30-day projection. Long-term liquidity needs for a 180-day and a 360-day period are identified monthly.

At the reporting date, these reports indicate that the Company expected to have sufficient liquid resources to meet its obligations under all reasonably expected circumstances.

#### Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices.

##### (i) Interest rate risk

The Company is exposed to interest rate risk as funds are invested at short-term rates.

The following table illustrates the sensitivity of the net result for the year and equity to a reasonably possible change in interest rates of +0.25% and -0.25% (2019: +0.25%/-0.25%), with effect from the beginning of the year. These changes are considered to be reasonably possible based on observation of current market conditions and economist reports. The calculations are based on the financial instruments held at each reporting date. All other variables are held constant.

**INDEPENDENT AUDIT REPORT TO THE MEMBERS OF THE ERYLDENE FOUNDATION LIMITED**

**(A COMPANY LIMITED BY GUARANTEE) ABN 68 051 439 984**

---

**Scope**

The special purpose financial report comprises the Income Statement, Balance Sheet and Notes to the financial statements of the Eryldene Foundation Limited for the year ended 31 December 2020. The financial report is prepared on the basis set out in Note 1 to the accounts.

The directors of the Eryldene Foundation Limited are responsible for the preparation and true and fair presentation of the financial report and have determined that the accounting policies used and described in Note 1 to the financial statements which form part of the financial report are appropriate to meet the requirements and needs of Eryldene Foundation Limited. This includes responsibility for the maintenance of adequate accounting records and internal controls that are designed to prevent and detect fraud and error, and for the accounting policies and accounting estimates inherent in the financial report. We disclaim any assumptions of responsibility for any reliance on this report or on the financial report to which it relates.

***Audit Approach***

We conducted an independent audit of the financial report in order to express an opinion to the members of the Eryldene Foundation Limited. Our audit was conducted in accordance with Australian Auditing Standards, in order to provide reasonable assurance as to whether the financial report is free of material misstatement. The nature of an audit is influenced by factors such as the use of professional judgement, selective testing, the inherent limitations of internal control, and the availability of persuasive rather than conclusive evidence. Therefore, an audit cannot guarantee that all material misstatements have been detected.

We performed procedures to assess whether in all material respects the financial report is presented fairly in accordance with the accounting policies described in Note 1, so as to present a view which is consistent with our understanding of the Eryldene Foundation Limited financial position, and of its performance as represented by the results of its operations. These policies do not require the application of all Accounting Standards and other mandatory professional reporting requirements in Australia. No opinion is expressed as to whether the accounting policies used and described in Note 1, are appropriate to the needs of the Eryldene Foundation Limited.

We formed our audit opinion on the basis of these procedures, which included:

- Examining, on a test basis, information to provide evidence supporting the amounts and disclosures in the financial report, and
- Assessing the appropriateness of the accounting policies and disclosures used and the reasonableness of significant accounting estimates made by the Officers.

While we considered the effectiveness of management's internal controls over the financial reporting when determining the nature and extent of our procedures, our audit was not designed to provide assurance on internal controls.

#### Independence

In conducting our audit, we followed applicable independence requirements of Australian professional ethical pronouncements and declare to the best of our knowledge and belief our independence in respect of this audit assignment.

The audit opinion expressed in this report has been formed on the above basis.

#### Audit opinion

In our opinion, the financial reports of the Eryldene Foundation Limited are properly drawn up:

- (a) so as to give a true and fair view of:
  - (i) the financial position of the Eryldene Foundation Limited as at 31 December 2020 and of its performance for the year ended on that date in accordance with the accounting policies described in Note 1; and
- (b) complying with Accounting Standards in Australia to the extent described in Note 1.
